AN IDEAL VENUE FOR DIFFERENT TEAM EVENTS

In the heart of the peace and natural beauty of Lahemaa National Park, the historic Vihula Manor awaits you—an inspiring place where time seems to slow down and thoughts become clearer. It is an ideal destination for companies looking to offer their teams a break from the bustle of the city and a calm environment where work and relaxation come together in perfect balance.

Whether the goal is to strengthen team spirit, generate new ideas, or simply spend quality time together, Vihula Manor offers a holistic experience that combines history, comfort, and closeness to nature.

TWELVE EVENT VENUES

Vihula Manor Conference Centre is designed for companies that value both functionality and uniqueness. The historic manor setting combined with modern technology creates an environment where great ideas emerge naturally. Distance from city noise allows true focus on what matters most—meaningful discussions and strategic thinking.

The manor offers 12 venues of different sizes, with four particularly popular and distinctive spaces:

- **Constance** (up to 160 guests): ideal for large conferences, concerts, and grand receptions
- **Ursula Hall** (up to 90 guests): perfect for training sessions and meetings
- **Dora** (up to 50 guests): suited for private negotiations and team meetings
- **The Palm House** (up to 80 guests): a creative and light-filled space for seminars and festive dinners

All venues are equipped with modern technology and provide a calm, inspiring atmosphere where plans for the future take shape.

PARTY CENTRE & SAUNA HOUSE

Located in a former blacksmith's forge, this private party and sauna house is designed especially for team gatherings. It is a place where the formal day comes to an end and truly bonding moments begin. The cozy, fireplace-equipped space is ideal for team events, appreciation gatherings, and developing team spirit. The inner courtyard barbecue area creates a relaxed setting where colleagues can connect and spend time together in an informal outdoor atmosphere.

Two saunas (electric and wood-fired), along with a terrace featuring hot and cold tubs overlooking the river, offer the perfect way to unwind after a workshop or seminar day.

You can find more information about the leisure facilities [HERE](#).

ECO-SPA AND SAUNA CENTRE

Great results and strong team spirit are born when people feel good!

Vihula Manor's Eco-Spa and Sauna Centre is created for exactly that purpose - to offer peace and restorative energy after intensive workdays or conferences.

ECO-SPA

The Eco-Spa combines the historic manor atmosphere with modern luxury. All treatments use natural products, and the massages and therapies help guests relax, restore focus, and regain clear thinking.

POOL AND SAUNA CENTRE

The 700 m² pool and sauna centre is an ideal place both for individual relaxation and for shared team moments:

- 15 m swimming pool and cold plunge pool
- 80°C Finnish sauna, 95°C smoke sauna, 60°C sanarium, 45°C steam sauna
- Jacuzzis
- Relaxation area and outdoor terrace with an outdoor hot tub

The option to book the sauna centre privately makes it a perfect choice for team events and other special occasions.

LEISURE ACTIVITIES

Vihula Manor offers unique team activities that combine enriching experiences with enjoyable entertainment. These activities are ideal for motivation days, company annual meetings, or for unwinding after a long workday.

WORKSHOPS AND PROGRAMMES

- Vodka programme – a lively tasting experience full of flavour
- Salt scrub workshop – a creative and relaxing hands-on experience
- Berry liqueur workshop – making and tasting drinks together

OTHER ACTIVITIES

- Manor tour – a journey through Vihula's history and cultural heritage, on foot or by golf cart
- Vihula Manor mini golf game "Tour de Baltics" – an ideal team game
- Bicycle and equipment rental – seasonal options include walking poles, boats, pétanque, and more

WANDERLUST ADVENTURES – THE JOY OF MOVEMENT

Wanderlust invites teams into nature—where genuine moments are created and a sense of togetherness grows stronger. Hikes, workshops, and adventures help participants step out of their work routine and experience something truly refreshing.

Example activities for groups from 10 people:

- Guided hiking and snowshoeing tours in Lahemaa's nature
- Survival and orienteering training that develops teamwork
- E-fatbike tours for adrenaline lovers
- Water adventures by canoe or SUP board to learn new skills
- Smart games – choose an interactive team game that combines movement with challenges for creativity and problem-solving

Wanderlust offers many more exciting possibilities and is open to new ideas, working with you to create something truly enjoyable and special for your team.

360 DEGREES – TEAM-BUILDING THROUGH ADVENTURE

Adventure company 360 KRAADI - team building through team games, hikes and workshops!

We bring teams together through play, smart tasks, and shared challenges. Engaging summer and winter activities offer challenges for all participants!

Team games are an investment in your team, as they:

- Strengthen collaboration
- Develop communication skills
- Help discover new leadership skills and roles

The goal is to place participants in diverse and sometimes unexpected situations where they feel motivated and valued. Through playful, challenging, and occasionally high-pressure activities, people gain a better understanding of themselves and others. This helps them solve similar problems more smoothly later on in the work environment.

Our strength lies in working with large groups. We organize team games all year round, both indoors and outdoors.

ACTIVITIES WITH 360 DEGREES

Example activities for groups from 10 people:

- An engaging and **adventurous treasure hunt**
- A **fun photo hunt** where creativity meets humor
- **Become a secret agent** and obtain the antidote to stop Spider Tech
- A **Winter Games Olympics** that turns company winter days into an energetic team experience
- **A film festival** where colleagues become movie stars
- **A fatbike cycling tour** in Lahemaa – an enjoyable active adventure where wide-tire bikes roll along sandy beaches, forest trails, and charming seaside villages

Educational entertainment via effective activities!

NATUREST: STORIES OF NATURE

NatourEst takes you deeper into Estonian nature – where time slows down and your senses open up. NatourEst organizes nature trips according to your wishes – a morning of bird singing, a hike led by a plant expert, an autumn mushroom training or other. Under the guidance of experienced nature guides, each trip becomes an educational and inspiring experience.

Examples of activities for groups for groups from 10 people:

- Bird and nature mornings in Lahemaa
- Observing and photographing bears in the Alutaguse
- Winter trips in the footsteps of wolves
- Observing eagles and other rare birds

These are moments that offer peace, recognition and true spiritual rest.
